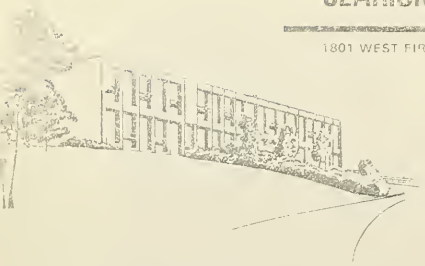
CLARION STATE COLLEGE — VENANGO CAMPUS
1801 WEST FIRST STREET ◆ OIL CITY, PENNSYLVANIA 16301 ◆ 814-676-6591



Dear Students,

This has been my first year at the Venango Campus, a year I have very much enjoyed. Every institution has an atmosphere which is invisible yet surrounds all who are a part of it. The atmosphere at Venango is warm, friendly, and open. This atmosphere is reflected in the stateliness of the buildings, the beauty of the mountains which surround us, and the vibrance of the students and staff. Working here has been a meaningful experience for me, and a learning one. It is my hope that in your time at Venango you have also learned and found some personal significance in your stay here. For the value of all of our experiences is the degree to which they help us to develope our understanding of ourselves and of our relationship to the universe of which we are a part. May your future bring you even more insight and growth.

STUDENTS

The Class Of 1977

like each class before it, will remember the long hours of lecture, study, and late night crams. But just as important were the fun times; dances, parties, and just "goofing off" at the student union.

This Year The Students

worked just as hard at their studies but still had time for other activities. The spring formal and "Sunshine Boys" highlighted the social events of the year.

President — Sandy Tarr

Vice President — Jeff Winger

PURPOSE OF THE STUDENT SENATE

The purpose of the Student Senate shall be to: express and exercise student opinion, provide a channel of communication among students, faculty, administrators, and all others, stimulate an atmosphere of intellectual growth, foster educational opportunities through student related activities, to receive and collect fees, and from such income promote and support athletic, social, cultural, and recreational activities for the Venango Campus of Clarion State College.

BASKETBALL

YEARBOOK STAFF

Sandy Tarr — Advertising

Garrison McCaslin — Advisor

We, the 1978 Pathfinder staff, Mr. Gary McCaslin, advisor, and Mr. John Krapp, Western Publishing Consultant, wish to take this opportunity to thank Nancy Neely, editor, without whose efforts this year's edition would not have been possible.

Cynthia Winger — Layout

This year at Venango has been one of enjoyment and fulfillment for me. Working on the yearbook has enabled me to meet many new and interesting people.

I would especially like to thank Cynthia Winger for her help on layout and Sandy Tarr for helping with photography and advertising. I want to thank Pam Mock, Melinda Douglas and Brigette Brunskole for donating their time to yearbook. I thank Mr. McCaslin for being our advisor and following orders with a smile. My greatest thanks goes to John Krapp of Western for being there when I needed him! Also, I give my thanks to everyone at Venango Campus for their cooperation which enabled us to have a yearbook for 1977–1978.

Your Editor,

Nancy Kelly
